Teen angel, teen angel, teen angel, ooo--

That fateful night, the car was stalled

C **F**
Upon the railroad track

C **F**
I pulled you out and we were safe

G **G7** **C**
But you went running back

Chorus:

G
Teen angel, can you hear me?

C
Teen angel, can you see me?

F
Are you somewhere up above?

G **G7** **C**
And am I still your own true love?

Verse 2:

What was it you were looking for
That took your life that night?
They say they found my high school ring
Clutched in your fingers tight

(chorus)

Verse 3:

Just sweet 16, and now you re gone

They ve taken you away
I ll never kiss your lips again
They buried you today

(chorus)
