written by J. and R. Surrey
performed by Mark Dinning
transcribed by Collins Crapo
(play opening line, verses, and closing line slowly; chorus slightly
  faster)
         Am
                      F
Teen angel, teen angel, teen angel, ooo--
That fateful night, the car was stalled
Upon the railroad track
I pulled you out and we were safe
          G7
But you went running back
Chorus:
        G
Teen angel, can you hear me?
Teen angel, can you see me?
Are you somewhere up above?
      G7
And am I still your own true love?
Verse 2:
What was it you were looking for
That took your life that night?
They say they found my high school ring
Clutched in your fingers tight
(chorus)
Verse 3:
```

They ve taken you away I ll never kiss your lips again They buried you today (chorus)

Teen angel, teen angel, answer me, please
