

Big Machine
Mark Duplass

Modified from Jaiber s tab work to better match the album recording by Mark Duplass

D D
stand straight, fall back in line
D D
comb your hair, get to work on time
D Cm G
everyone in the big machine
D D
tries to break your heart, and pull you underneath
G G G
maybe i m wrong and all that you get is what you see
A A A
maybe i m right and there s something out there to believe
G A D
everybody s talking in their sleep
G A D
they push a lot of air around but don t say much of anything
G A F# Cm
except when they re laughing, like some ghosts under a sheet

Cm A G A G D
everybody s talking in their sleep.

D D
watch out, get back in line
D D
they ll trip you up, it happens every time
D Cm G
weighed down, it s just a big machine
D D D
it can break apart like anything
G G G
maybe i m wrong and all that you get is what you see
A A A
maybe i m right and there s something out there to believe
G A D
everybody s talking in their sleep
G A D
they push a lot of air around but don t say much of anything
G A F# Cm
except when they re laughing, like some ghosts under a sheet

Cm A G A G D
everybody s talking in their sleep.
