You taught me everything I know bout being lonesome

And I learned my lesson, oh so faithfully

What was I thinking of

When I gave you my love

For I knew you would go eventually

[Verse]

I can't say you never gave me nothing
A **Bm**
After all you left me with the blues
E7 **C#7**
And it ain't much, but at least it's something
D **A**
Well, I don't believe I will ever lose
D **E7** **A**

[Chorus]

Tell me, why should I cry over you, sweet darling?
E7
Why should I cry over you?
Bm
Give me one good reason I should be blue
A **D**
Why should I cry over you?
A **E7** **A**

[Verse]

I'm all through feeling blue for you my darling
A **D**
Cause I know you would do the same for me

I'm gonna walk right out the door

Try to even up the score
F#7
Two can play your game so easily
B7 **E7**

[Verse]

A **Bm**
And I don't expect you'll ever come a-calling
E7 **C#7**
Should we chance to meet down on the avenue
D **A**
Don't be surprised when you don't see teardrops falling
D **E7** **A**
Darling, why should I cry over you

Why should I cry over you?

Why should I cry over you?
