

Line Between The Two
Mark Harris

Am **G** **C** **F**
A beginning and an ending, dates upon a stone
Am **G** **C** **F**
But the moment in the middle is how we will be known
Am **G** **C** **F**
Cause what defines us can be found within a line
Am **G** **F G**
Finding reason for our time

chorus:

C **G**
And the years go by, how they seem to fly
Em **F**
Theyâ€™ll all be over soon
 C **G**
When our life is done, did we live and love
F
The way we wanted to
 C **G**
Cause everyday that we leave behind
Em **F**
Goes on to tell the truth
F **G** **C**
Of how we lived in the line between the two
The line between the two

Will I walk straight, will I be true
Will I finish strong
Will I stand up for the moment
When I could right a wrong
Because the legacy we have will never change
Itâ€™s how we spend our days

chorus

F **Am**
I could live a life for just myself
F **Am**
Or I could live a life for someone else
F **Am**
But Iâ€™ll live and die just to hear
You say
F
Well done my son come and be with Me
