

Belle Starr  
Mark Knopfler

Afinação 1/2 abaixo

**C**

My mamma and my daddy

**G C F C**

Told me that love is a two-way street

But lately baby, you ve been finding

**G C F C**

New ways of dragging yout feet

**Em**

So come on, make your best shot

**F G F G**

You don t have to take the blame

**C**

I ll be your belle star

**G C F C**

You can be my Jesse James

There s lonely people everywhere

**G C F C**

From Abilene to Arkansas

The way they run for cover

**G C F C**

You d think love was against the law

**Em**

Well i don t need a pistol , baby

**F G F G**

You won t have to rob a train

**C**

You can be my belle star

**G C F C**

And i can be your Jesse James

**Em**

I know you ve done some hard time

**F G F G**

Baby, and you ve got your doubts

**C**

When you feel surrounded

**G C F C**

And it s looking there s no way out

**Em**

I ll come riding to rescue

**F**                                  **G**      **F G**  
All you gotta do is call my name  
  **C**  
I ll be your belle star  
  **G**                                  **C**      **F C**  
You can be my Jesse James

It don t take a genius, baby  
  **G**                                  **C**      **F C**  
There aint no big mystery

You can t play it safe  
  **G**                                  **C**      **F C**  
And still go down in history

**Em**  
So saddle up the horses  
      **F**                                  **G**      **F G**  
  Cos we re headed for the hall of fame

**C**  
I ll be your belle star  
  **G**                                  **C**      **F C**  
You can be my Jesse James

**C**  
I ll be your belle star  
  **G**                                  **C**      **F C**  
You can be my Jesse James
