This is the tab of the main solo in this wonderful song Knopfler played with Tom Jones live at some time (I dunno when). The solo is picked w/ your fingers, and be sure to make it sound really emotional! I didn't include any bars and stuff, the times u know. But you'll figure it out when you listen to the song.

I might post the rest of it later, haven't tabbed it yet!  
Up till then - have fun guys!
