

If This Is Goodbye
Mark Knopfler

These are just the chords to the song. I think that Richard is the one who plays them on the record as well. He picks the chords instead of strumming.

[Intro]

D-A-G-D

D **A**
My famous last words

D **G**
Are laying around in tatters

D **A**
Sounding absurd

D **G**
Whatever I try

D **A**
But I love you

D **G**
And that s all that really matters

D **A**
If this is goodbye

G **D**
If this is goodbye

D **A**
Your bright shining sun

D **G**
Would light up the way before me

D **A**
You were the one

D **G**
Made me feel I could fly

D **A**
And I love you

D **G**
Whatever is waiting for me

D **A**
If this is goodbye

G **D**
If this is goodbye

A **D**
Who knows how long we ve got

A **D**
Or what we re made out of

A **D**
Who knows if there s a plan or not

There is our love

A

I know there is our love

D **A**

My famous last words

D **G**

Could never tell the story

D **A**

Spinning unheard

D **G**

In the dark of the sky

D **A**

But I love you

D **G**

And this is our glory

D **A**

If this is goodbye

G **D**

If this is goodbye

D **A**

If this is goodbye

G **D**

If this is goodbye

D-A-D-G x3 / **D-A-G-D**/ **D-A-D-G** x3 / **D-A-G-D**

Mark plays a solo during those chords.

Hope you guys enjoy it. This is one of my favorite songs by Mark and I really tried hard

to get the chords.

Cheers
