Am
Yonâ€™s my privateer

See how trim she lies

To every man a lucky hand

And every man a prize

I live to ride the ocean
 C **G** **Am**
The mighty world around
 C
To take a little plunder
 G **Am**
And to hear the cannon sound

 F **C**
To lay with pretty women
 G **D/F#**
To drink Madeira wine
 Am **C**
To hear the rollers thunder
 G **Am**
On a shore that isnâ€™t mine

Am
Privateering we will go

Privateering, yo ho hoho

Privateering we will go

Yo ho ho, yo ho ho

And by God Iâ€™ve sailed with some

Come with me to Barbary

Britannia needs her privateers

Each time she goes to war

Death to all her enemies

Though prizes matter more

Come with me to Barbary
