

## Secondary Waltz

### Mark Knopfler

Mark Knopfler  
Secondary Waltz

Unreleased track...recorded during the Golden Heart sessions, the track is available on the CD Golden Demos. The recording technology wasn't good, the pitch is very strange, but the songs are perfect, typical MK.

-----

Intro: **E**

**E**  
Well now the school Christmas party is coming  
**B**  
Ain't doing rugby no more  
**E**  
McIntyre teaching us waltzing  
**B**  
Out on the gymnasium floor  
**E**  
Nobody battered or bleeding  
**B**  
Nobody's tattered and torn  
**E**  
McIntyre's dim, loud in the gym  
**E** **D** **B**  
Well, we've only got a little (...)  
**A** **G** **E**  
We've only got a little (...)  
**C** **G**  
And it's you, you, you're a disgrace  
**C**  
McIntyre tore us apart  
**G** **C**  
We dance with ourselves, when the (...) find their space  
**Bm** **C**  
Waltzing with fear in our hearts  
**Am** **D**  
Waltzing with fear in our hearts  
  
E (same as intro)

On the big final manoeuvre, all of our heads are a whirl  
Getting much closer to the deep thing  
This time we ll do it with girls  
In the arena the ladies are waiting  
A twelve year old girl for a bride  
The matches were fixed, somehow we mixed  
And the fat girl got left on the side  
The fat girl got left on the side.

**C** **G**  
And it s you, you, you re a disgrace

**C**  
McIntyre tore us apart

**G** **C**  
We dance with ourselves, when the (...) find their space

**Bm** **C**  
Waltzing with fear in our hearts

**Am** **D**  
Waltzing with fear in our hearts

**C** **D**  
It s the secondary waltz

E (same as intro) 3X

Then E, D, B and A, G, E (as first couplet at the end)

**C** **G**  
Well you come to my right, and I am under the light

**G/B** **C**  
See that my footwork is false

**G** **C**  
Don t count me out, the start of the bow

**Bm** **C**  
I m just doing secondary waltz

**Am** **D**  
Doing secondary waltz

**C** **D**  
And it s the secondary waltz

**C** **D**  
Yeah, it s the secondary waltz

Intro till the end
