Mark Knopfler
Secondary Waltz

Unreleased track...recorded during the Golden Heart sessions, the track is available on the CD Golden Demos. The recording technology wasn't good, the pitch is very strange, but the songs are perfect, typical MK.

Waltzing with fear in our hearts

E (same as intro)

On the big final manoeuvre, all of our heads are a whirl
Getting much closer to the deep thing
This time we ll do it with girls
In the arena the ladies are waiting
A twelve year old girl for a bride
The matches were fixed, somehow we mixed
And the fat girl got left on the side
The fat girl got left on the side.
