Burning Jacob s Ladder
Mark Lanegan

[Intro]

Dm

Dm
dreams stripped down beyond firelight
A
i would go over but my only coat s soft white
Dm
and seeing things unreal
god knows what that stain
A **A**
and what comes crawling back again
tears a harbor
A
down to the thorny altar
Dm
i m afraid i might fade away

Dm

Dm
it s to the blood we sing and burn
A
thousand blackbirds on a string return
Dm
there s a solitary sun too high
A
gone without the chosen one, goodbye

A

the ashes scatter
A
burning jacob s ladder
Dm
i m afraid i might fade away
