This song uses all power chords, their roots are all on the 5th string, so the F# and G# s are high, not low. Solo based around the D# blues scale--- I think! It uses all down strokes

Intro--D#5,F#5,C#5

The dark descends through the promised land

D#5 **F#5** **C#5**

Down kingdom come and the acid ban

D#5 **F#5** **C#5**

I m bad alone, burned inside out

D#5 **F#5**

Nothing to kill it

G#5

I hit the city

D#5 **F#5** **G#5**

In Marianne I dug the hole

D#5 **F#5** **C#5**

And watched her trip on my heart of stone

D#5 **F#5** **C#5**

And in the end all that crawled, was my skin

D#5 **F#5**

I couldn t kill it

G#5

I hit the city

D#5 **F#5** **G#5**

I hit the city

D#5 **F#5** **G#5**

Ghost arrives at its bitter end

D#5 **F#5** **C#5**

To the promised land and the dark descents

D#5 **F#5** **C#5**

I m bad alone, burned inside out

D#5 **F#5**

Nothing to kill it

G#5

I hit the city (x5)

D#5 **F#5**

1,2,3,4

G#5

I hit the city
