Mark Lowry

[Intro]

E A F#m E

[Verse 1]

E **F#m**
As I kneel in the darkness, in the middle of the night
B **A** **E**
I m praying for assurance, everything s gonna be alright
F#m
Lord I see another battle, out in front of me
B **A** **E**
I m afraid I won t be able, and I ll go down in defeat

[Chorus]

B **E**
And He said I walked on the water
F#m7
I calmed the raging sea
B **A** **E**
I spoke to the wind, it hushed and I gave you peace

Didn t I run to your rescue
F#m
Didn t I hear you when you called
B **A** **E**
I walked right beside you, just so you wouldn t fall

Didn t I leave all of heaven
F#m
Just to die for your sins
B **A** **E**
I searched until I found you, and I d do it all again

[Verse 2]

B **E** **F#m**
And He said, Do you remember, where I brought you from
B **A** **E**
Just take a look behind you, and see how far you ve come
F#m
Every time you ve asked me, didn t I deliver you
B **A** **E** **B**
So why would you be thinking, that I would not see you through
