**Am**

**Am/B**

**Am/C**

**Em**

**F**

Atop a cross bar

**F Em**

I saw the golden age arise

**F**

I made it this far

**F Em E**

And nothing s justified the hype

**F**

It s a myth the good will out

**Am**

A mith that s talked about

**C G**

By men who seldom take a bow

**F**

It s a myth that light prevaless

**Am Em E**

A myth that never fails to raise a laugh

**F**

I m sick and i wanna get well again

**Am**

I m a bug I m a bird i m an aeroplane

**C**

I m adrift I m my own worst enemy

**G**

I m sick and I wanna get well

**F**

I m sick and I wanna get well again

**Am Em E**

I m adrift yes I m going straight to hell

**Am**  
**Am/B**  
**Am/C**  
**Em**

**F**  
And I queue in A&E

**Am**  
I Spew In casualty

**C G**  
And I m tryign to remember where you are

**F Am**  
And unless I m very much mistaken

**Em E**  
This is where the trouble starts

**F**  
I m sick and I wanna get well again

**Am**  
I m a bug I m a bird i m an aeroplane

**C**  
I m adrift I m my own worst enemy

**G**  
I m sick and I wanna get well

**F**  
I m sick and I wanna get well again

**Am Em E**  
I m adrift yes I m going straight to hell
