Verse
=====

G D
Soakin it up,
Em Em
Fate betraying clear blue skies,
Bm Em
The way you wear your hair sometimes,
Am D
The shivers up and down my spine.

G D
And then I split up,
Bm Em
Straightnin my broken crown,
Bm Em
I look to find a quick way out,
Am D
And wonder what I just don t know.

Prechorus
=====

Bm
Everything is moving,

Em

Everything is moving to you,

Am

D

The seasons and the tides, all of my insides to you...

Bm

Don't know where I'm going,

Em

Don't know where I'm going with you,

Am

D

Tell me not to follow, but nothing that you say is true...

Chorus

=====

G **D** **C** **Am**

Can't live life without fiction,

G **D** **C** **Am**

You can't but help it as you go,

G **D** **C** **Am**

You can't disguise the contradiction,

G **D** **C**

And here's some news to soften the blow,

D

Before I disappear,

C **Am**

I'm as sorry now, as I have ever been.
