Has a dream thats s grown old in your eyes  
Mean something has died  
Will i carry you in my heart ?  
Never knowing why we parted

If i can t talk to doves and stones  
Without you,my true love  
I ll never whisper low  
The only words that lovers need to say  
Alone,alone, I ll hide my time  
Alone,alone I ll hide my time  
Talk to doves and stones  
doves and stones

Has the storm that brought rain to our home  
Deciding our lives  
Running naked all alone  
A clown that bleeds  
A strange dance floor

Our hearts were on the sunny side  
Boots were in the mud  
Our hearts were on the sunny side  
Boots in the mud  
No other place to go

Inside the car with doves and stones
