

Stars

Mark Owen

I used Chordify to get the chords and figured out how they fit (properly) with the lyrics. This is basically right and fits well enough with the song. Enjoy!

Intro **Bb Cm Gm**

Bb **Cm**
Gonna build a rocket

Gm
Anytime you want it

Bb **Cm**
Paint it pretty colours

Gm **Cm**
Gonna light it up and take us to the moon

Eb
That s what I m gonna do

That s what I m gonna

Bb
Save up all the papers

Gm
Gonna need litter

Bb **Cm**
Maybe take a minute

Gm **Cm**
To get in my head directions all the way

Eb
You want to get away

I m taking you

Gm **Bb**
Through the eyes of the black hole

F **Eb**
And the open doors

Eb **Cm**
Through the cracks in the pavement

In conversation

Gm **Bb**
From the top of the empire

F
To a state unknown

Eb
If I say that I m leaving
Just got to hang on

Eb **Cm** **Gm**
Cause we re just stars
F **Eb**
Tryna get back to where we re from

Cm **Gm**
And one by one

F **Eb**
We re gonna leave this planet

Cm **Gm**
So don t look back

F **Eb**
Cause you know that it s all just time

Cm **Gm**
When you ve got nothing on your mind

F
You ve made it

Bb
Somewhere in the future

Gm
Talk about forever

Bb **Cm**
Take yourself a picture

Gm **Cm**
Waiting in the rain for a postcard from the sun

The one that never comes

Eb

The one that never shows

The one that never, is building something

Gm

Bb

From the heart of the wreckage
