Capo 2nd fret

INTRO: **Em / G / Em / G**

CHORUS:

**Em**

I don t wanna see you go,

Why d it take so long to know?

**G**

I want somebody to love me,

**Am**

I want somebody to be nice,

**C**

See the boy, I once was in my eyes,

**Em**

Nobody s gonna save my life

VERSE 1:

**Em**

We are wicked men,

Looking for our buckles to loosen,

By the count of ten,

I wanna see somebody human,

**Em**

And I lost what it was, in the teenage dust of a downtown Romeo,

In a couple of weeks, you can tell all the freaks, how you carried my body home

BRIDGE:

**Am**

But tonight, I crossed the line,

**C**

Dear Mr Lonely, how much do they know me?

**Am**

I could find lessons in life,

**C**

But, once you ve earned it, you ve already burned it

CHORUS:

**Em**

I don't wanna see you go,

**G**

I need somebody to love me,  
(Need somebody, oh)

**Em**

Why'd it take so long to know?

**G**

I need somebody to love me,  
(Need somebody, oh)

**Am**

I want somebody to be nice,

**C**

See the boy, I once was in my eyes,

**Em**

Nobody's gonna save my life

VERSE 2:

**Em**

Got my ticket man, and I'm looking for somebody to use it,  
I know we pretend, but one of these days we're gonna lose it,

**Em**

And I once left town, when the leaves turn brown,  
With a couple of souvenirs,  
She was in my car, when we hit that wall,  
Yeah, you could've moved me to tears

BRIDGE:

**Am**

But tonight, I crossed the line,

**C**

I used to know her, when my house was sober,

**Am**

I could find lessons in life,

**C**

Over and over, is it really over?

CHORUS:

**Em**

I don't wanna see you go,

**G**

I need somebody to love me,  
(Need somebody, oh)

**Em**

Why'd it take so long to know?

**G**

I need somebody to love me,

(Need somebody, oh)

**Am**

I want somebody to be nice,

**C**

See the boy, I once was in my eyes,

**Em**

Nobody s gonna save my life

BRIDGE:

**Am**

But tonight, I crossed the line,

**C**

I used to know her, when my house was sober,

**Am**
