

**Walking Her Home**  
**Mark Schultz**

Capo 4  
(Verse 1)

**G**

Looking back

**D**

He sees it all

**Em**

**D**

**Cadd9**

It was her first date the night he came to call

**G**

Her dad said son

**D**

Have her home on time

**Em**

**D**

**Cadd9**

And promise me you ll never leave her side

**Am**

**D**

He took her to a show in town

**Am**

**Cadd9**

And he was ten feet off the ground

(Chorus)

**G**

He was walking her home

**D**

And holding her hand

**Em**

**D**

**Cadd9**

Oh the way she smiled it stole the breath right out of him

**G**

Down that old road

**D**

With the stars up above

**Em**

**D**

**Cadd9**

He remembers where he was the night he fell in love

**Em**

**D**

**Cadd9**

He was walking her home

(Verse 2)

**G**

Ten more years and a waiting room

**D**

At half past one

**Em**

**Cadd9**

And the doctor said come in and meet your son

**G**

His knees went weak

**D**

When he saw his wife

**Em**

**D**

**Cadd9**

She was smiling as she said he s got your eyes

**Am** **D**  
And as she slept he held her tight  
**Am** **Cadd9**  
His mind went back to that first night

(Chorus)

**G**  
He was walking her home  
**D**  
And holding her hand  
**Em** **D** **Cadd9**  
Oh the way she smiled it stole the breath right out of him  
**G**  
Down that old road  
**D**  
With the stars up above  
**Em** **D** **Cadd9**  
He remembers where he was the night he fell in love  
**Em** **D** **Cadd9**  
He was walking her home

(Bridge)

**Em** **D** **Cadd9**  
He walked her through the best days of her life  
**Em** **D** **Cadd9**  
Sixty years together and he never left her side

(Verse 3)

**G**  
A nursing home  
**D**  
At eighty-five  
**Em** **D** **Cadd9**  
And the doctor said it could be her last night  
**G**  
And the nurse said Oh  
**D**  
Should we tell him now  
**Em** **D** **Cadd9**  
Or should he wait until the morning to find out  
**Am** **D**  
But when they checked her room that night  
**Am** **Cadd9**  
He was laying by her side

(Chorus)

**G**  
He was walking her home  
**D**  
And holding her hand  
**Em** **D** **Cadd9**  
Oh the way she smiled it stole the breath right out of him  
**G**

Down that old road

**D**

With the stars up above

**Em**

**D**

**Cadd9**

He remembers where he was the night he fell in love

**Em**

**D**

**Cadd9**

He was walking her home

(Ending)

**G**

Looking back

**D**

He sees it all

**Em**

**D**

**Cadd9**

It was her first date the night he came to call
