

**In My Arms**  
**Mark Wills**

THIS IS A GREAT SONG FOR ALL PARENTS.

CAPO 2ND FRET

**G** **Em**  
Three a.m. on the clock, lullaby music box  
**C** **Am**  
Oh, baby please don't cry, let's let mama sleep tonight,  
**G** **Em**  
You've only been home one day, you don't even know your name,  
**C** **Am**  
tiny hand on my cheek, you're a miracle to me,  
**Em** **D**  
In the stillness of the night, cradled in this rocking chair,  
**Em** **D**  
I hold all my hopes and dreams, every single answered prayer.

CHOURS:

**G** **G7**  
In my arms, wish I could hold you forever,  
**C** **Cadd9** **Am**  
In my arms, I will give you shelter,  
**G** **G7**  
Still I know, I can't always be there,  
**C** **Cadd9** **Am**  
To protect you from this great big old world,  
**C**  
But I swear this much is true,  
**D** **G**  
There'll always be a place for you, in my arms.

VERSE 2:

**G** **Em**  
As I watch you take each breath, oh it scares me to death,  
**C** **Am**  
To know you're counting on me, to be the daddy that you need,  
**G** **Em**  
Wounded knees and broken hearts, learning how to drive a car,  
**C** **Am**  
when it's time for your first date, will I know just what to say,  
**Em** **D**  
And when you find that one true love, I'll put on my best smile,  
**Em** **D**  
and I'll try to hide my tears, as I walk you down the aisle

CHOURS 2x:

**C**

Oh, this promise I will keep

**Am**

**D**

**G**

as you finally fall asleep...in my arms
