What Hurts The Most Mark Wills

(capo on 5th)

Am G

I can take the rain

F

on the roof of this empty house

F G

That donâ \in [™]t bother me

Am

I can take a few tears that $\hat{\mathsf{Ia}} \in \mathsf{TM}$ ve got

F

And just let them out

F G

But I'm not

F

afraid to cry Every once in a while

G

Even though

Am

going on

Am G

with you still upsets me

F

Ever days
Every now
and again
I pretend
I'm ok

G

But that $\mathbf{\hat{a}} \in \mathbf{W} \mathbf{S}$ not what gets me

(Chorus)

Αm

What hurts the most

```
F
Was being so close

C
And having so much to say

G
And watching you walk away

Am
And never knowing

F
what could have been

C
And not seeing that loving you

G
Is what I was trying to do
```
