

Back At Your Door

Maroon 5

Intro ? **F#m Fm E D#**

**Cm** **G#**  
From the moment the lights went off  
**D#** **Bb**  
Everything had changed  
**Cm** **G#**  
Lie awake in an empty room  
**D#** **Bb**  
In my head it all feels the same

**Cm** **G#**  
Like the taste of the day you left  
**D#** **Bb**  
That still lingers on my breath  
**Cm** **G#**  
And the dampness of tears that left  
**D#** **Bb**  
A stain where you had wept

**Cm** **G#**  
All alone with the negligee  
**D#** **Bb**  
That still hangs off of my bed  
**Cm** **G#**  
I keep meaning to give it away  
**D#** **Bb**  
But I just leave it there instead

**Cm** **Bb**  
No need to cry about it  
**G#** **D#**  
I cannot live without it  
**F#m** **Fm** **E** **D#**  
Every time I wind up back at your door

**Cm** **Bb**  
Why do you do this to me?  
**G#** **D#**  
You penetrate right through me  
**F#m** **Fm** **E** **D#**  
Every time I wind up back at your door

**Cm** **G#**  
Three more days til I see your face  
**D#** **Bb**  
I'm afraid it's far too much

**Cm** **G#**  
Cook a meal and fix up the place  
**D#** **Bb**  
Dial your number, hang it up

**Cm** **G#**  
If I took you for granted  
**D#** **Bb**  
I apologize for acting tough  
**Cm** **G#**  
You're my reason for living  
**D#** **Bb**  
And there's no way I'm giving up, oh
