

Doin' Dirt
Maroon 5

Intro: **G#m B Ebm C#**

G#m B
Hey you don t wanna love you on the telephone
D#m7
You re hanging up and now I m all alone
C#
Baby you got me doing dirt doing dirt doing dirt
G#m B
And now I wanna find you but you re on the run
D#m7
My heart s exploding like a burning sun
C#
I know you like it when it hurts when it hurts when it hurts

G#m B
Hold me we re dancing in the dark of the night
D#m7
You re shining like a neon light
C#
I light you up when I get inside
G#m B
So won t you touch me cause everybody s watching us now
D#m7
We re putting on a show for the crowd
C#
So turn it up baby make it loud

G#m B
Hey you say that you re only having fun and then
D#m7
You call me up at 3am again
C#
Baby you got me doing dirt doing dirt doing dirt
G#m B
And now all that I got is just a microphone
D#m7
To let you know that I am all alone
C#
I know you like it when it hurts when it hurts

G#m B
Hold me we re dancing in the dark of the night
D#m7
You re shining like a neon light
C#
I light you up when I get inside

G#m

B

So won't you touch me cause everybody's watching us now

D#m7

We're putting on a show for the crowd

C#

So turn it up baby make it loud

Yeah come on

G#m

So right now I wanna leave with you right now

B

I wanna be with you all night get in the car let's go

D#m7

C#

Yeah let's take it home let's take it home let's take it home

G#m

So right now I wanna leave with you right now

B

I wanna be with you all night get in the car let's go

D#m7

C#

Yeah let's take it home let's take it home let's take it home

G#m

B

Hold me we're dancing in the dark of the night

D#m7

You're shining like a neon light

C#

I light you up when I get inside

G#m

B

So won't you touch me cause everybody's watching us now

D#m7

We're putting on a show for the crowd

C#

So turn it up baby make it loud
