How dare you say that my behavior is unacceptable
So condescending unnecessarily critical
I have the tendency of getting very physical
So watch your step cause if i do
You ll need a miracle

You drain me dry and make me wonder why i m even here
This double vision i was seeing is finally clear
You want to stay but you know very well i want you gone
Not fit to fucking tread the ground i m walking on

refrão:

C#5	G#5	B5	F#5
When it gets cold outside and you got nobody to love			
C#5	G#5		
You ll understand what i mean when i say			
B5		F#5	
There s no way we re gonna give up			
C#5	G#5		
And like a little girl cries in the face			
B5		F#5	
Of a monster that lives in her dreams			
C#5			
Is there anyone out there?			

Cause it s getting harder and harder to breathe
C#5
Is there anyone out there?

Cause it s getting harder and harder to breathe

What you are doing is screwing things up inside my head
You should know better
You never listened to a word i said
Clutching your pillow
And writhing in a naked sweat
Hoping somebody someday will do you like i did

refrão:

C#5 G#5 B5 F#5
When it gets cold outside and you got nobody to love
C#5 G#5
You ll understand what i mean when i say
B5 F#5

BASE SOLO: (C#5)

(C#5)
Does it kill?
Does it burn?
Is it painful to learn?
That it s me that has all the control

Does it thrill?
Does it sting?
When you feel what i bring
And you wish that you had me to hold

refrão:

C#5 G#5 B5 F#5
When it gets cold outside and you got nobody to love
C#5 G#5
You ll understand what i mean when i say
B5 F#5
There s no way we re gonna give up
C#5 G#5
And like a little girl cries in the face
B5 F#5
Of a monster that lives in her dreams
