

**If You Only Knew**  
**Maroon 5**

Verses

**C5, A5, A5, G5**

think one two THREE for rhythm maybe pluck just the bass note for the first two  
hang on  
three a bit  
my altered version  
Cm7 Am7 A7 G (power chord with added 3rd on 4th string or G played like an F  
without the  
highest strings)

2nd half of verses/ bridge to chorus  
B5, C5, D5, D5, D#5 or Eb5

Chorus

**C5, E5, F5, D5**

guitar solo at end is over the chorus progression the bridge instrumental part is  
pretty  
a do whatever you want part with slides and stuff  
okay heres the song with chords placed as close as possible the verse is weird  
when  
the vocals to the chords

If You Only Knew

verse progression 4x (C5, A5, A5, G5)

come in on G5 4th time

Verse 1

**C5                      A5                      A5                      G5**  
**A5   A5   G5**

I wake up thoughts of you tied to to my mind as I wonder,

**C5                                      A5                      A5                      G5**  
**A5   A5   G5**

What to wear what to eat who to be will I see you again,

(bridge)

**B5                      C5                                      D5**  
And as my car breaks down I shake my head and say,

**Eb5**  
What a day, hey hey

Chorus

**C5**                **E5**                **F5**                                **D5**  
If you only knew what I went through just to get to you,

**C5**                                **E5**                **F5**                                **D5**  
I'm hanging from you and I'll hold on if you want me to,

Verse 2 riff for 2x come in on 2nd G5

**C5**                **A5**                                **A5**                **G5**                **C5**  
Every bus, every train, every cab, every lane is jammed,

**C5**                                **A5**                                **A5**                                **G5**  
So I look to the sky and I reach for planes with my hands,

**B5**                **C5**    **D5**  
If all my days go wrong I'll think about last night,

**E♭5**  
It went right, hey hey

Chorus

**C5**                **E5**                **F5**                                **D5**  
If you only knew what I went through just to get to you

**C5**                                **E5**                **F5**                                **D5**  
I'm hanging from you and I'll hold on if you want me to

Instrumental Bridge slide around or chromatic stuff at end

Last Chorus guitar improv outro starts during

**C5**                **E5**                **F5**                                **D5**  
If you only knew what I went through just to get to you, hey

**C5**                **E5**                **F5**                                **D5**  
I'm swinging you and there's nothing I would rather do

Guitar Outro  
make sure to slide down at end
