

Little Of Your Time
Maroon 5

Intro e verso (melhor fazer com pestanas): **A G F# F E Bb A G F# F E**

A **G** **F#**
I m sick of picking the pieces
 F **E** **Bb** **A**
And second guessing my reasons
 G
Why you don t trust me
F# **F** **E** **Bb** **A**
Why must we do this to one another

A **G** **F#**
We are just passionate lovers
 F **E** **Bb** **A**
With trouble under the covers
 G
Nothing worse than when
 F **E**
You know that it s over

Em **D**
I just need a little of your time
Bm
A little of your time
A
To say the words I never said
Em **D**
I just need a little of your time
Bm
A little of your time
A
To show you that I am not dead
G **Bb** **Bm**
Please don t leave, stay in bed
 C#m
Touch my body instead
Em
Gonna make you feel it
F#
Can you still feel it?
Em
Gonna make you feel it
F#
Can you still feel it?

Repete intro

A **G** **F#**
Well I got nothing to hide
F **E** **Bb** **A**
Dip down and come for a ride
G
Embrace a devil so sly
F# **F** **E** **Bb** **A**
You can not hear em coming

A **G** **F#**
Cause my defences are weak
F **E** **Bb** **A**
I have no breath left to speak
G
So take the evidence
F **E**
And bury it somewhere

Em **D**
I just need a little of your time
Bm
A little of your time
A
To say the words I never said
Em **D**
I just need a little of your time
Bm
A little of your time
A
To show you that I am not dead
G **Bb** **Bm**
Please don t leave, stay in bed
C#m
Touch my body instead
Em
Gonna make you feel it
F#
Can you still feel it?
Em
Gonna make you feel it
F#
Can you still feel it?

Nesse verso os acordes são abafados:

A **G** **F#**
Oh my, I don t mind
F **E** **Bb** **A**
Being the other guy
G
Nice try, for these games
F# **F** **E** **Bb** **A**
I do not have the time

G **F#**
If you want me, call me
F **E** **Bb** **A**
Come and take a risk
G **F** **E**
Kiss me somewhere deep below the surface

Em **D**
I just need a little of your time

Em
A little of your time

A
To say the words I never said

Em **D**
I just need a little of your time

Em
A little of your time

A
To show you that I am not dead

G **Bb** **Bm**
Please don't leave, stay in bed

C#m
Touch my body instead

Em
Gonna make you feel it

F#
Can you still feel it?

Em
Gonna make you feel it

F#
Can you still feel it?

Em
Gonna make you feel it

F#
Can you still feel it?

Em
Gonna make you feel it

F#
Can you still feel it?

final: **A G F# F E**
