

Payphone
Maroon 5

E **B**
I m at a payphone trying to call home
G#m **F#**
All of my change i ve spent on you
E
Where have the times gone,
B
Baby it s all wrong
G#m **F**
Where are the plans we made for two

E **B**
Yeah, I, I know it s hard to remember
G#m
The people we used to be
F#
It s even harder to picture
E
That you re not here next to me
B
You said it s too late to make it
G#m
But is it too late to try?
F#
And in our time that you wasted
E
All of our bridges burned down

B
I ve wasted my nights
G#m
You turned out the lights
F#
Now i m paralyzed
E **B**
Still stuck in that time when we called it love
G#m **F#**
But even the sun sets in paradise

E **B**
I m at a payphone trying to call home
G#m **F#**
All of my change i ve spent on you
E
Where have the times gone,
B
Baby it s all wrong

G#m **F#**
Where are the plans we made for two

E **B**
If happy ever after did exist

G#m **F#**
I would still be holding you like this

E **B**
And all those fairy tales are full of sh*t

G#m **F#**
One more f*cking love song i ll be sick

E **B**
Oh, You turned your back on tomorrow

G#m
Cause you forgot yesterday

F#
I gave you my love to borrow

E
But just gave it away

B
You can t expect me to be fine

G#m
I don t expect you to care

F#
I know I ve said it before

E
But all of our bridges burned down

E **B**
I ve wasted my nights

G#m
You turned out the lights

F#
Now i m paralyzed

E **B**
Still stuck in that time when we called it love

E
Now i m at a payphone...

E B G#m F#
Man f*ck that sh*t
I ll be out spending all this money while you sitting round
Wondering why wasn t you who came out from nothing
Made it from the botton
Now when you see me i m stunning
And all of my cars star with a push of a button
Telling me the chances I blew up or whatever you call it
Switch the number to my phone
So you never could call it
Don t need my name on my show
You can tell it i m ballin
Shish, what a shame could have got picked
Had a really good game but you missed your last shot
So you talk about who you see at the top
Or what you could have saw
But sad to say it s over for
Phantom pulled up valet open doors
Wiz like go away, got what you was looking for
Now it s me who they want
So you can go and take that little piece of sh-t with you
