

Stereo Hearts
Maroon 5

Capo: 4th Fret

Em **C**
My heart s a stereo

G
It beats for you, so listen close

D
Hear my thoughts in every note, oh oh.

Em **C**
Make me your radio

G
Turn me up when you feel low

D
This melody was meant for you

Em
Just sing along to my stereo

Em **C**
If I was just another dusty record on the shelf

G **D**
Would you blow me off and play me like everybody else?

Em **C**
If I asked you to scratch my back, could you manage that?

G **D**
Like it read well, check it Travie, I can handle that
Furthermore, I apologize for any skipping tracks
It s just the last girl that played me left a couple cracks
I used to used to used to used to, now Iâ€™m over that
Cause holding grudges over love is ancient artifacts

If I could only find a note to make you understand
I d sing it softly in your ear and grab you by the hand
Keep it stuck inside your head, like your favorite tune
And know my heart s a stereo that only plays for you
