

**Stereo Hearts**  
**Maroon 5**

Capo: 4th Fret

**Em**                    **C**  
My heart s a stereo

**G**  
It beats for you, so listen close

**D**  
Hear my thoughts in every note, oh oh.

**Em**                    **C**  
Make me your radio

**G**  
Turn me up when you feel low

**D**  
This melody was meant for you

**Em**  
Just sing along to my stereo

**Em**                    **C**  
If I was just another dusty record on the shelf

**G**                    **D**  
Would you blow me off and play me like everybody else?

**Em**                    **C**  
If I asked you to scratch my back, could you manage that?

**G**                    **D**  
Like it read well, check it Travie, I can handle that  
Furthermore, I apologize for any skipping tracks  
It s just the last girl that played me left a couple cracks  
I used to used to used to used to, now Iâ€™m over that  
Cause holding grudges over love is ancient artifacts

If I could only find a note to make you understand  
I d sing it softly in your ear and grab you by the hand  
Keep it stuck inside your head, like your favorite tune  
And know my heart s a stereo that only plays for you
