Where you are seems to be
 As far as an eternity
 Outstretched arms open hearts
 And if it never ends then when do we start?

I ll never leave you behind
 Or treat you unkind
 I know you understand
 And with a tear in my eye
 Give me the sweetest goodbye
 That I ever did receive

Pushing forward and arching back
 Bring me closer to heart attack
 Say goodbye and just fly away
 When you comeback
 I have some things to say

How does it feel to know you never have to be alone
 When you get home
 There must be someplace here that only you and I could go
 So I can show you how I

(riff1)

Dream away everyday
Try so hard to disregard
The rhythm of the rain that drops
And coincides with the beating of my heart

I ll never leave you behind
Or treat you unkind
I know you understand
And with a tear in my eye
Give me the sweetest goodbye
That I ever did receive

Say goodbye and just fly away

So I can show you how I feel
