

The Air That I Breathe
Maroon 5

C# **A#m**
People never change,
F#
They seem to stay the same.
G#
They wear different clothes,
C#
But play the same games.
A#m
Many different ways
F#
To say the same thing.
G#
Searchin for the right words,
A#m
The ones that would make you stay.

C#
Exchanging the way things were
F# **D#**
For they way that they should be, Yeah.
A#m
And choosing theses words
C#
Is saying to her,
G#
The things that she never heard
C#
But always deserved.

(refrÃ£o)

I figured what it is all about.
Fm
It s you that I could never live without.
F#
Your everything,
B
The air that I breathe.
C#
Stupid not to know it all along,
Fm
And everything I ever did was wrong.
F# **B**
Sadly it s too late for sorry.

C# **A#m**
