When you haven?t worked for

                                        Am7
You say ya got a job but I don t

never know the truth
PRE CHORUS
            F:m
You?re perfect on the outside but
nothing at the core.
It?s easy to forget when you show up at my door
Stop messing with my mind,
cause you?ll never have my heart.
But your perfect little body make, make, makes me fall apart
Your perfect little body make, make, makes me fall apart
```
