

Wont Go Home Without You
Maroon 5

Eb **Fm**
I asked her to stay But she wouldn't listen
Bb **Eb Eb/D**
She left before I had the chance to say Oh
Cm **Fm**
The words that were mend--the things that were broken
G# **Bb** **Eb**
But now its far too late she's gone away

Eb
Every night you cry yourself to sleep
Cm
Thinking why does this happen to me
Adim **G#**
Why does every moment have to be so hard
Bb
Hard to believe it

Eb
It's not over tonight
Fm
Just give me one more chance to make it right
G#
I may not make it through the night
Bb **Eb**
I won't go home without you

Cm **Fm**
The taste of her breath, I'll never get over
Bb **Eb Eb/D**
And the noises that she make keep me awake oh
Cm **Fm**
The weight of things that remain unspoken
G# **Bb** **Eb**
Built up so much it crushed us everyday

Eb
Every night you cry yourself to sleep
Cm
Thinking why does this happen to me
Adim **G#**
Why does every moment have to be so hard
Bb
Hard to believe it
