(I think this is easier to play if you do it with barre chords exclusively.

C-B-C-C#-D (barre chords)
Some people love money
G
Some people are in love with war
D
But I m in love with your brown eyes
F **G**
Yes, you are what I m living for

And I still remember it well:
I saw you standing by a big hotel
Just then the clock on the corner struck five
Til that moment I was half alive

Then you smiled at me across the crowded avenue
Right away my temperature started to climb
Til that moment I was marking time

It s true, I m drawn to you like a moth to a candle flame
But here is something that I ve got to know:
How come you never call me by my name????

Girl, don t change your mind
and I promise I won t change mine
til the last star fades
til this wide world is through
Til that moment I ll belong to you
til the stars fall from the blue...
Til that moment I ll belong to you
