

When the evening falls
And I m left there with my thoughts
And the image of you being with someone else
Well it s eating me up inside
But we ran our course, we pretended we re okay
Now if we jump together at least we can swing
Far away from the wreck we made

[Chorus]

Then only for a minute
I want to change my mind
Cause this just don t feel right to me
I want to raise your spirits
I want to see you smile but
Know that means I ll have to leave

[Instrumental]
