D

Still get a spill

G

Em

Filling up my belly when I think of you.

(You see) I still get a river

D

Still get a quiver

And it burns down my spine

Em

When I think that you re mine.

(Oh, yes you are!)

My lips are always hunting for the light,

Well. it s a firefly.

CODA

I still get a chill

Still get a spill

Filling up my belly when I think of you.

So the river calls to deliver

And it burns down my spine

Oh, you re mine

O, you re mine
