Martin Jensen

[Intro]

Em D C G (2x)

[Verse 1]

Em **D**
Lately, I feel like I've been selling
C **G**
Half of my soul to feel your love
Em **D**
I gave all my faith to someone
C **G**
Who's body is all that I know
Em **D**
Lately, I feel like I've been feeling
C **G**
Something you don't, so help me
 Em **D**
Gotta pull you in close, but I know
C **G**
That I should be letting you go

[Pre-Chorus]

Em **D**
A mess with it, a mess without it
C **G**
I go down either way
Em **D**
Endless shots and countless hours
C **G**
I wonder 'bout your place

[Chorus]

Em **D**
It's only 16 steps from your door to your bed
C **G**
I should know better with your body next to mine
