Left Hand Luke and the begger boys
Original by T-Rex. Covered by Martin L. Gore in **G**

[**G**]Call yourself friend, and [**Bm**]look me in the eye
[**Em**]I ll unstrap my knees an apolo-[**C**]gise
Cos I m, [**G**]Left Hand Luke [**D**]and the [**G**]begger boys
Oh yes we [**Bm**]are [**C**] [**D**] (and so on....)

Ain t no neighbours, upon our hill,
Crept slight thigh Be-bop and old gumbo jill,
But I m, Left Hand Luke and the begger boys,
O yes we are.

Ain t nobody s some-one,
And it hurts deep inside,
Just call us taxi mama and we ll take you for a ride,
Cos we re, Left Hand Luke and the begger boys.
O yes we are.

Left hand luke and the begger boys,
O yes we are.

Myxomatosis is an animal s disease,
But I got so shook up mama that it ate away my knees,
And I m Left Hand Luke and the begger boys,
O yes we are.

Ain t had no money lord, but it s plain to see,
If you had some silver mister how much would you pay for me?
Cos I m, Left Hand Luke and the begger boys,
O yes we are.

No one s gonna fool me baby
