Verse:

**D**                            **G**  
Take me to your heart  
**D**                            **G**  
Show me where to start  
**D**                            **Bm**                            **G**  
Let me play the part of your first love  
**Em**                            **Bm**  
All the stars are right  
**Em**                            **A**  
Ev ry wish is ours tonight, my love

Verse:

**D**                            **G**  
Pity those who wait  
**D**                            **G**  
Trust in love to faith  
**D**                            **Bm**                            **G**  
Findin out too late that they ve lost it  
**Em**                            **Bm**  
Never leting go  
**Em**                            **A**  
They will never know the ways of love

Chorus:

**C#m**                            **F#m**  
Got to believe in magic  
**Bm**                            **A**                            **Em**  
Tell me how two people find each other  
**C**                            **D**  
In a world that s full of strangers  
**C#m**                            **F#m**  
You ve got to believe in magic  
**Bm**                            **G#m**                            **C#m**

Somethin stronger than the moon above

**Bm**

**E**

Cause it s magic when two people fall in love
