Verse:

**C# G# A#m**  
Oceans apart, day after day  
**F# G#**  
And I slowly go insane  
**C# G# A#m**  
I hear your voice, on the line  
**F# G#**  
But it doesn't stop the pain  
**Am F# G#**  
If I see you next to never  
**A#m F# G#**  
how can we say forever

Refrain:

**C# G# A#m**  
Wherever you go, whatever you do  
**A#m F# C#**  
I will be right here, waiting for you  
**C# G# A#m**  
Whatever it takes, or how my heart breaks  
**A#m F# G# C#**  
I will be right here waiting for you

Interlude: **G-D#-A#m-C#**

Verse:

**G# D# A#m**  
I took for granted, all the times  
**C# G#**  
That I thought would last somehow

**G#            D#            A#m**

I hear the laughter, I taste the tears

**C#                            G#**

But I can't get near you now

**G#                    A#            F#**

Oh can't you see it baby,

**F#                    G#            C#**

You've got me going crazy

Ref Please:

Bridge:

**C# A#m            F#                            C#**

I wonder how we can survive, this romance

**C#            A#m                            F#                            G#**

But in the end if I'm with you, I'll take the chance

refrain:

**A#m            F#                            G#**

Oh you can't see it baby

**A#m                    F#                            G#**

You've got me going crazy

refrain twice
