

Give me the key

I m telling you
I will not rest till I lay down my head
In the house of stone and light

I make my way
Oh, gonna be such a beautiful day
In the house of stone and light
In the house of stone and light

Let me in beneath my skin
In the house of stone and light

It s been too long
My spirit s been at war
Havasupai Shaman
Let me be reborn

And I will embrace
The sun upon my face
Come the day
I awake the child inside
In the house of stone and light

And when I go
I will op , op , open my eyes
In the house of stone and light
I will see you
In the house of stone and light

Looking in beneath my skin
In the house of stone and light

Going inside
In the house of stone and light
(Stone and light)
Looking for the child
In the house of stone and light
(See myself got such a good shelter)
In the house of stone and light

In the house of stone and light
(I m gonna let this child come washing of water)
In the house of stone and light
(He s speakin softly to me)
(I must go there, to find my soul, yeah)

In the house of stone and light
(I can see so clearly now)
(I will go there, to find my soul, yeah)
In the house of stone and light
(Well keep on knocking on my door)

(I must go there, to find my soul, yeah)

In the house of stone and light

(I will go there, to find my soul, yeah)

In the house of stone and light

(I must go there, to find my soul, yeah)
