A **E**
1.I m rolling out of Bakersfield
A **D**
My own private hell on wheels
A **D** **A** **E**
But this time I m gone for good
A **E**
And I ve never gone this far before
A **D**
Beyond the slamming of the back screen door
A **D** **A** **E**
But you never love me like you should

E **A**
C.And there ain t no telling what I ll find
D **A**
But I might as well move down the line
D **A** **E**
There s no comfort here in your zip code
A
I d rather break down on the highway
E **D**
With no one to share my load
E **A** ADAE
And cry on the shoulder of the road

2.It makes me feel a little low
Steel guitar on the radio
And it s kinda scary the way these truckers fly
So this is how leaving feels

Drinking coffee and making deals
With the One above to get me through the night
