I m not doin too well workin my way through a heartache

It s do or die in spite of the pain if I wanna be free
I can t let up cause my heart s dependin on me
I can t for the life of me see where I ve made my mistake
I m not doin too well workin my way through a heartache

I m workin my way, workin my way through a heartache
Tryin and cryin it s almost more than I can take
But I know if I fail then I m gone so I ve gotta hang on
I m not doin too well workin my way through a heartache
