[Refrain]

G
You gotta climb to scale the mountain
D7
You gotta climb to reach the top
G C
You gotta climb to see the splendor
G D7 G
You gotta climb climb climb don t you stop

[Verse 1]

G
Well the path is steep where it leads upward
D7
The way is rough narrow too
G C
But every step brings you higher
G D7 G
Until that mountain peak will come in view

[Refrain]

G
You gotta climb to scale the mountain
D7
You gotta climb to reach the top
G C
You gotta climb to see the splendor
G D7 G
You gotta climb climb climb don t you stop

[Verse 2]

G
Don t you give up cause you re weary
D7
You can t expect an easy way
G C
Downward path leads to nowhere
G D7 G
You gotta climb climb climb everyday

[Refrain]

G

You gotta climb to scale the mountain

D7

You gotta climb to reach the top

G

C

You gotta climb to see the splendor

G

D7

G

You gotta climb climb climb don t you stop

[Verse 3]

G

When you arrive at top of your mountain

D7

You ll be glad that you struggled on

G

C

If you have all your gold around you

G

D7

G

The struggle of the climb all gone

[Refrain]

G

You gotta climb to scale the mountain

D7

You gotta climb to reach the top

G

C

You gotta climb to see the splendor

G

D7

G

You gotta climb climb climb don t you stop
