

**Hillbilly Rock**  
**Marty Stuart**

Verse 1

-----

**Bb**

It comes from Mississippi and down in Alabam,

Creepin like a fever, all across the land.

From deep in the Delta, on the Louisiana shore,

The people got to have it, they wanna hear some more.

Chorus

-----

**Eb**

Its the hillbilly rock, beat it with a drum,

**Bb**

Playin them guitars like shootin from a gun.

**Eb**

Keepin up the rhythm, steady as a clock.

**F**

**Bb**

Doin a little thing called the hillbilly rock.

Verse 2

-----

**Bb**

Some say it came from Memphis, down in Tennessee,

Or it drifted in from Georgia about 1953.

Just as long as its greasy, as long as its fast,

As long as its pumpin honey, its gonna last.

Way back in old Kentucky where the bluegrass grows,  
Through the Carolinas on them dirt red roads.

From Arkansas to Texas, it sounds so good.
