Intro
G

Verse 1

Well, when the sun goes down **C** at the end of the day **G**
I want to see you again, I ve got to find a way **C** **G**
Just to hear those **D** little things you say **G**

Verse 2

The way you touch me baby, **C** the way you squeeze me tight **G**
And when you hold me darlin all through the night **C** **G**
Those little things **D** make me feel all right **G**

Chorus

C
(Little things) like the way you kiss
G
(Little things) that I can t resist
C
(Little things) make me feel so fine
D
I ve got to have your lovin honey all the time
C
(Little things) ooh, when we touch
G
(Little things) you know they mean so much
C
(Little things) never make me blue
D **G**
I love those little things you do

This is my interpretation of the song and is what I hear. Since U-G doesn't always include the correct chord voicings, I have included all of them in this transcription. Please feel free to experiment with your own chord voicings. I think you could also play this one with power chords, since it has a driving beat. I tried it with open and power chords and both sound acceptable. Please note that I've only provided the open chords for this song.
