

**Mirrors Don't Lie**  
**Marty Stuart**

Refrão -----

                  D                                  A  
Mirrors don t lie, a mirror won t lie  
          A  E  
So don t be lookin if you can t stand to see  
                  D                                  A  
Mirrors don t lie, a mirror won t lie  
      A  E                  A  
I know it s so cause one just told the truth on me  
-----

A                  D                          A  
Facing the music won t be easy  
          F#m                                  E  
Cause wine and roses leave a jagged scar  
      A                                  D                  A  
I thought I knew just where to quit and draw the line  
          A                                  E                  A  
But today I know for sure I ve gone too far

Chorus

Now tracing my footsteps won t be easy  
Cause wine and roses leave a clouded mind  
I never worried about much about night before  
Cause the morning after left me nearly blind

Chorus

I know it s so cause one just told the truth on me
