[Intro]

G D | Em C | G D | Am

G D Em C
Hey, man, what s wrong with you today?

G D Em Am
You re lying down as if you re laying on a sleigh

G D Em C
You re worried about your car, your job

G D Am
You drank your coffee; it was a little bit too hot

C D
It burned your tongue Can t taste anything again

C
Just like that time I ate that pot-o-noodle with a friend

D C
And now I ve got none Cause they ran away

D
I tried to lick them (You tried to lick them?)

C
Yeah, that s why they ran away (Oh) I guess there s something
(G) D

wrong with me I just can t get back onto my feet

G D Em C
But when you can just believe that you can take them so

G D Em C
high above Kilimanjaro You can go through clouds and break the

G D Em Am
sky Take the universe and step on that ship

C
Cause when you re backed up against the wall

D
just look what s underneath your sole

C D
It s the universe It s below your feet
