

Come Away From Rush And Hurry

Marva J. Dawn

C **G**
Come away from rush and hurry
F **C**
to the stillness of God s peace;
C **G**
from our vain ambition s worry,
F **C**
come to Christ to find release.
Am **F** **Am**
Come away from noise and clamor,
Am **F** **Am**
life s demands and frenzied pace;
C **G**
come to join the people gathered
F **C**
here to seek and find God s face.

C **G**
In the pastures of God s goodness
F **C**
we lie down to rest our soul.
C **G**
From the waters of God s mercy
F **C**
we drink deeply, are made whole.
Am **F** **Am**
At the table of God s presence
Am **F** **Am**
all the saints are richly fed.
C **G**
With the oil of God s anointing
F **C**
into service we are led.

C **G**
Come, then, children, with your burdens--
F **C**
life s confusions, fears and pain.
C **G**
Leave them at the cross of Jesus;
F **C**
take instead his kingdom s reign.
Am **F** **Am**
Bring your thirsts, for he will quench them--
Am **F** **Am**
he alone will satisfy.
